

INSPIRE YOUR SCHOOL TO SHOW UP FOR RARE DISEASE DAY

Rare Disease Day is on February 28th (or 29th on Leap years). The icon to represent all rare diseases is a zebra.

A simple way to Bring awareness to your school community is to stripe it our for Rare Disease Day. Create a School Spirit Day and encourage students and staff to wear stripes.

SOME OTHER WAYS YOU CAN BRING AWARENESS TO RARE DISEASE DAY IS BY:

Showcasing the Rare Disease Day Slideshow in this toolkit.

Ask a Guest Speaker to come in - possibly a Geneticist or Researcher.

Incorporate a science or health lesson factoring age appropriateness.
